

EMPLOYMENT OPPORTUNITY

Surge is currently accepting applications for the position of Intermediate Production Accountant.

The individual will report to the Supervisor, Production and JV Accounting and will be a key member of the Production Accounting team. The successful candidate will liaise with various internal and external stakeholders including Field Operations, Engineering and Government agencies, and will be responsible for handling all aspects of the property accounting cycle. This will include analyzing revenue and royalties and submitting volumetrics, SAF/OAF, and other related reports to Petrinex to ensure government compliance. Other responsibilities include: gathering and analyzing production data and confirming pipeline deliveries; communicating sales splits and generating volumetric, Crown, ORR and Freehold reports; uploading or entering production data into Metrix; maintaining setups in a very dynamic environment; booking and analyzing revenues, royalties and processing charges on a monthly basis; ensuring government requirements are being met on EPAP & CAI as well as responding to internal and external queries in a timely manner.

Qualifications include:

- A degree in Accounting or Business Administration would be an asset
- CAPP (Canadian Association of Petroleum Property Accounting) Certification
- 5+ years of progressive production and revenue accounting experience
- Self-starter with strong analytical, account reconciliation, problem solving, organizational and Excel skills are essential for success in this role
- Proficiency in Metrix, Qbyte FM, CS Explorer, PVR and Petrinex
- Working in a highly analytical role, effective communication skills, team work and a desire to learn are essential for success for this position
- Team player who is willing and able to take on multiple tasks and effectively prioritize these tasks

Interested candidates should forward a resume, prior to July 4, 2017
