

EMPLOYMENT OPPORTUNITIES

Surge Energy is a growth-oriented E&P company and, due to recent acquisitions in the area, is eagerly accepting applications for several field-based positions in SE Saskatchewan.

Surge has elite, operated properties characterized by large OOIP long life crude oil reservoirs, over 750 net low risk development locations providing over 14 years of drilling inventory at current production rates and numerous high quality EOR opportunities. Surge's common shares trade on the Toronto Stock Exchange under the symbol SGY.

The specific positions of interest include the following:

- Operators (entry level through experienced)
- Contract Lead Operators
- Facility and pipeline construction supervisors

These positions are contract based and those who wish to provide services must be legally authorized to work in Canada. Interested candidates can send their application along with an email clearly indicating which position(s) they are applying to provide services for to: hr@surgeenergy.ca. All applications will be reviewed and those with a potential fit will be contacted for an interview(s). Surge will keep all applications on file for one year.
